# Checklist for Original Article

Please check the items below submitting a manuscript and send this checklist to the Korean Academic Society of Nursing Education via online submission system (http://acoms.kisti.re.kr/journal/intro.do?page=logo&journalSeq=J000088).

- Ethical regulations of the Journal of the Korean Academic Society of Nursing Education have been followed.
- Manuscript is submitted through the account of the corresponding author.
- The review fee has been deposited before submission of the manuscript (in the name of the corresponding author).

- A4-sized paper 10-point font size
- Line spacing of 200% (double space)
- Margins of 25mm for all pages
- Page numbers appear at the bottom of each page
- No more than 20 pages in total, including abstract, tables, and pictures.

## Composition of manuscript

**Title page (Cover)**
- Title; research design type; author’ name(s), position and affiliation; corresponding author’ name, address, telephone number, fax number, e-mail address; keywords; any relevant statements of related funding or conflicts of interest, or mention of an associated graduate thesis

**Main text**
- Title, abstract, introduction, methods, results, discussion, conclusions, references, tables, figures, and appendix

**Discussion**
- No redundancy compared to the description of introduction or results

**Abstract**
- No more than 200 words
- Title
- Abbreviations are not included in paper titles and abstracts.
- Body of abstract contains Purpose, Methods, Results, and Conclusion and is consecutively described without changing lines.
- No more than 5 Keywords are described using MeSH term.

**References**
- No more than 30 references (in the case of meta-analysis, systematic literature review, tool development, or structural model, the number of references is no more than 50)
- Reference style follows the submission guidelines of manuscript preparation.
- Paragraphs are outdented.

**Figures and tables**
- Written in English
- No more than five tables and figures (appendixes are excluded). Each is placed on a separate page
- Technical abbreviations and explanation of symbols should be defined below the tables or figures.
- Numerical figures are consistent with the content of the body of the text without misspellings.

I hereby authorize the return of my submitted paper if any of the submission guidelines listed above has not been followed.
